Big Ideas Math Red  
by Ron Larson and Laurie Boswell

Step 5: This is your homepage

The image shows a digital interface for the 'BIG IDEAS MATH' curriculum. The central focus is the cover of the textbook, which features a yellow biplane flying over a sunset landscape with a large red infinity symbol at the bottom. The text on the cover includes 'BIG IDEAS MATH', 'A Common Core Curriculum', and 'Ron Larson Laurie Boswell'. At the bottom of the cover, it says 'A Microsoft Approach'.

Surrounding the cover are several navigation and utility elements:

- Top Bar:** A dark blue bar at the top contains a 'Page 1' dropdown menu, a 'Back to Library' button, and icons for a search function and a document.
- Left Sidebar:** A dark blue vertical sidebar contains icons for 'Contents', 'Bookmarks', 'Notes', 'Highlights', 'Settings', and 'Help'.
- Right Sidebar:** A light gray vertical sidebar contains icons for 'Zoom In' (a magnifying glass with a plus sign) and 'Flip the page' (a circular arrow).

White callout boxes with arrows point to these features:

- 'Table of contents' points to the 'Contents' icon in the left sidebar.
- 'Page number' points to the 'Page 1' dropdown in the top bar.
- 'Zoom In' points to the magnifying glass icon in the right sidebar.
- 'Flip the page' points to the circular arrow icon in the right sidebar.
