

Build Language with Books!

B E F O R E

- Read the title, author, and illustrator. Point out where you can find them.
- Predict what the book will be about.
- Label the objects, people, animals, etc. on the cover!

D U R I N G

- Ask questions! Ask your child questions about the pictures or what you are reading. Asking questions as you read aids and supports your child's comprehension of the story.
- Look at the pictures and have your child point to or label them in the story!
- Slow down!! Make sure you provide your child with enough time to look at the pictures!

A F T E R

- Have your child retell the story.
- Ask comprehension questions about what happened.
- Ask them what their favorite part of the story was.
