Flemington-Raritan Regional School District Superintendent's Report Dr. Kari McGann March 28, 2022

District Update:

- 1. Student Enrollment**
- 2. Community Housing Construction**
- 3. COVID-19**
 - a. Emergency Virtual or Remote Instruction Plan-- School Closure Preparedness Plan**

Superintendent's Report: District Enrollment* 2021-2022 School Year

3

J.P. Case Middle School.....**681** 7th & 8th grade students
(1 less student than last reported)

Reading-Fleming Intermediate School.....**657** 5th & 6th grade students
(same number of students as last reported)

Francis A. Desmares Elementary School.....**483** K - grade 4 students
(2 less students than last reported)

Copper Hill Elementary.....**474** Pre-K-grade 4 students
(2 more students than last reported)

Robert Hunter Elementary.....**405** K - grade 4 students
(1 less student than last reported)

Barley Sheaf Elementary School.....**378** K - grade 4 students
(2 more students than last reported)

Out of district students.....**14** Students
(same number of students as last reported)

Total enrollment.....**3,092** Pre-K - 8th grade students
(same number of students as last reported)

Kindergarten Enrollment Thus Far...

- Barley Sheaf Elementary School: 43
- Copper Hill Elementary School: 62
- Francis A Desmares Elementary School: 73
- Robert Hunter Elementary School: 57
- Total enrollment so far: 235

Numbers are for students registered for Kindergarten NEXT YEAR so far in each building. These numbers are definitely early, low, and will change, but... this is where they sit today.

Flemington-Raritan Regional School District Superintendent's Report Dr. Kari McGann March 28, 2022

District Update:

- 1. Student Enrollment ✓**
- 2. Community Housing Construction**
- 3. COVID-19**
 - a. Emergency Virtual or Remote Instruction Plan-- School Closure Preparedness Plan**

District Redistricting

A Flemington-Raritan Regional School District goal is to continue to work toward reducing and eliminating inequities within our educational system, including professional development; meeting with the equity advisory committee and supporting the Three-Year Comprehensive Diversity, Equity, and Opportunity Action Plan.

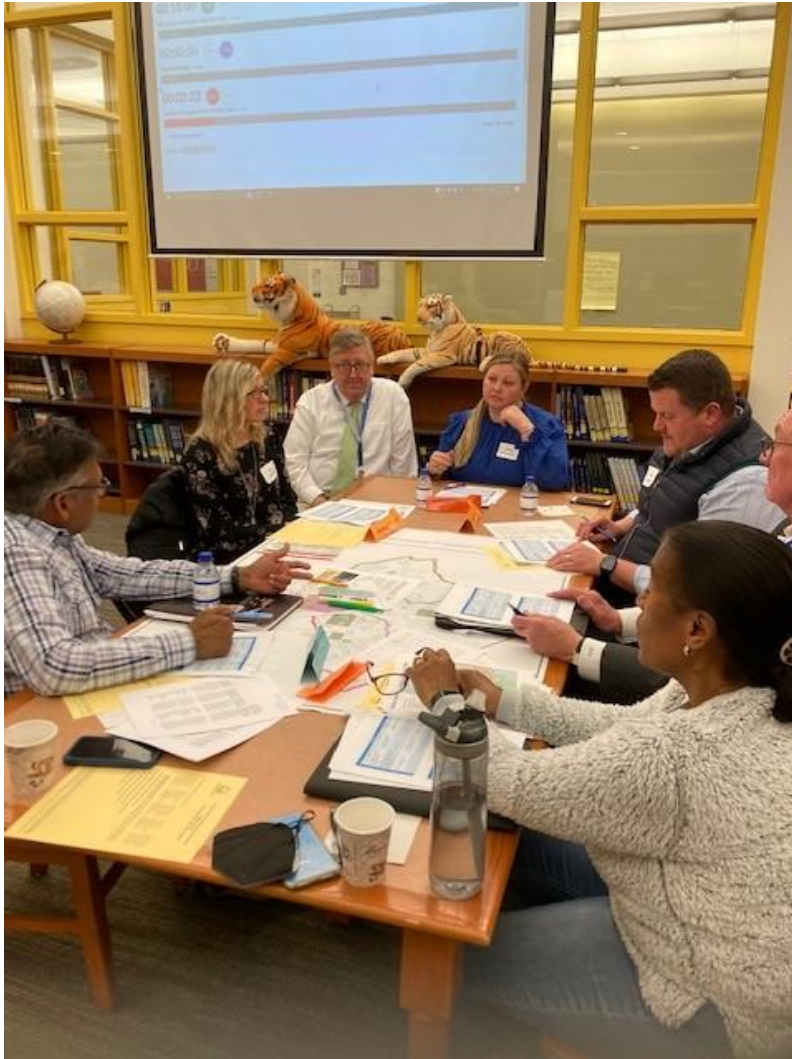

District Redistricting

The Superintendent's Equity Ad Hoc Committee has been meeting regularly to review housing development data and enrollment.

My appreciation to the Superintendent's Equity Ad Hoc Committee Members for their time and energy:

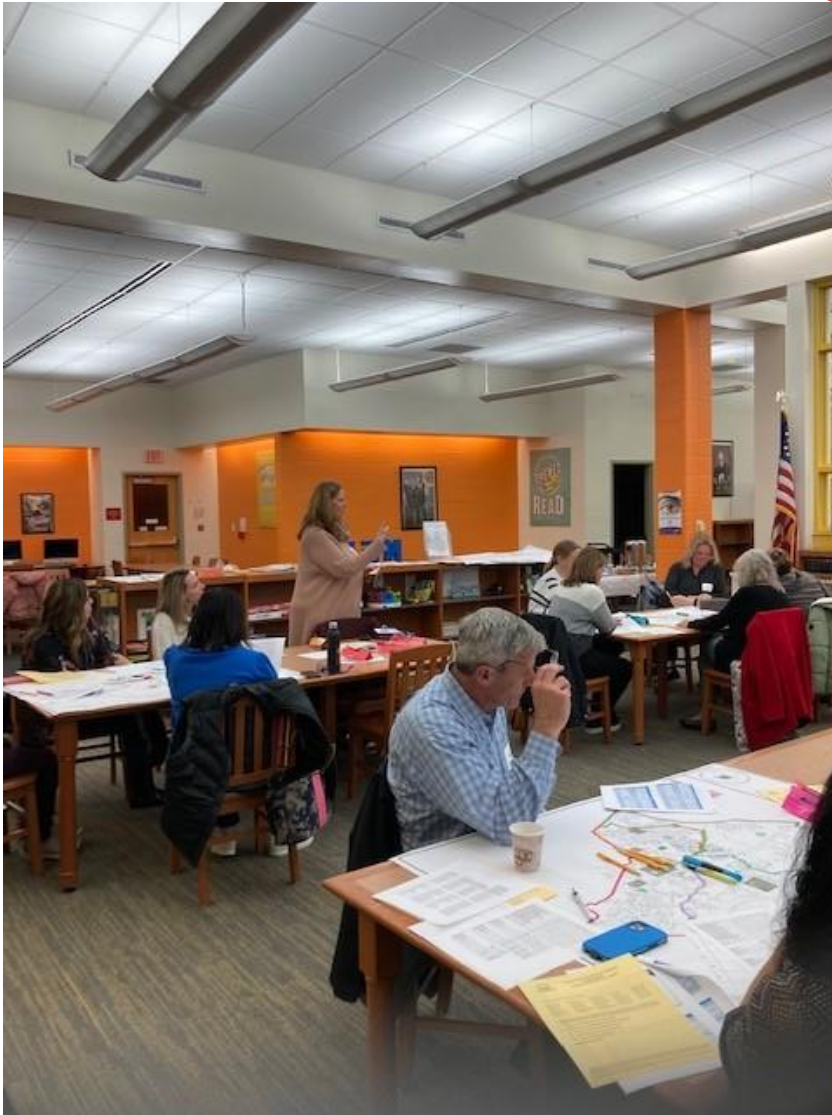

Hanan Attiyah	Pamela Baker
Kristen Boyce	Amanda Fernandes
Karen Gabruk	Dan Bland
Yvonne Patel	Brad Currie
Ana Washington	Jesse Lockett
Laura Hernandez	Lindsay Shirvanian
Julie Bell	Lilian Colpas
Lori Castronuovo	Murty Varanasi
John Giotis	Megan Pacyna
Nydia Peake	Jessica Braynor
Meredith Weil	Ariej Dawood
Melanie Rosengarden	Mark Masessa
Robyn Fatooh	Amy Switkes
Melissa Bentley	Josue Penaloza
Marie Corfield	Jessica Alonso
Dawn Hlavsa-Suk	Julia Whitley
Katherine Rayburn	

District Redistricting

Most recently, the Ad Hoc Committee met in November, December, January and twice in March and is scheduled to meet again the beginning of April.

District Redistricting

The Superintendent's Equity Ad Hoc Committee has been meeting regularly to analyze the growing disparities in school enrollment and the lack of instructional space in some schools which inevitably leads to larger class sizes.

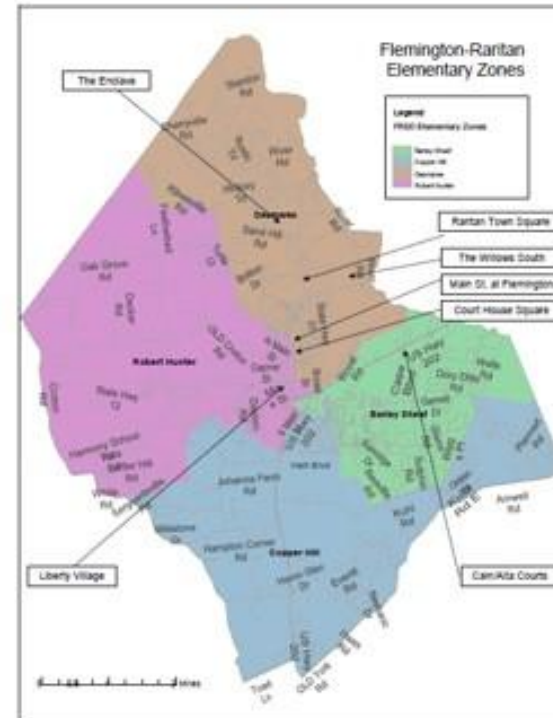

District Redistricting

Impact of New Residential Properties

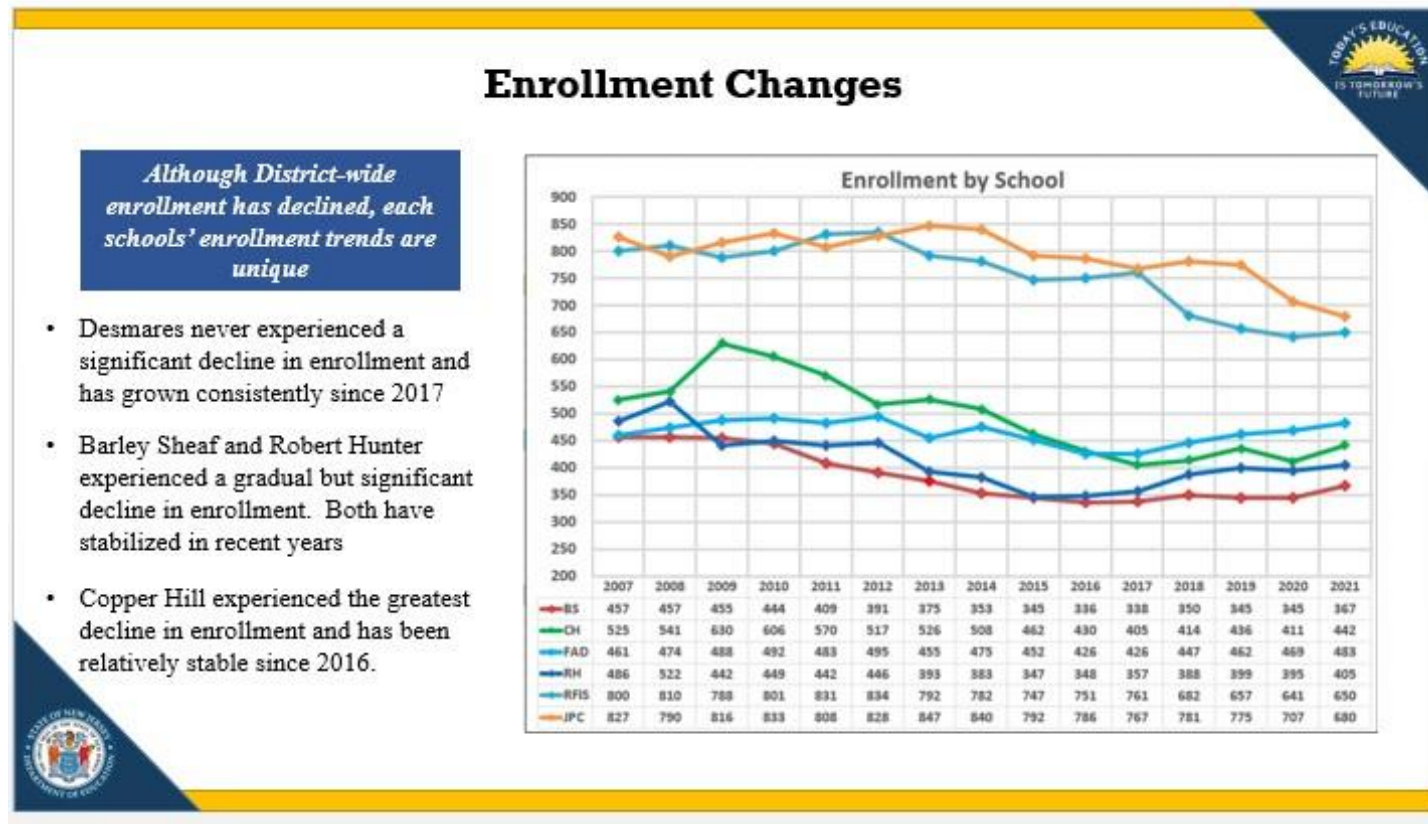

- Raritan Town Square – 101 more units
 - (Walter Foran near PetSmart)
- Willows South II -100 units
 - (Walter Foran across from Willows I)
- The Enclave at Health Quest – 200 units
- Courthouse Square (Union Hotel) - 216 units
- Main Street at Flemington (Agway) – 100 units
- Liberty Village

Enrollment in the northern half of the District is growing; enrollment in the southern half has declined.

There are seven new residential properties that are under approval, development, or study: 1) The Cain/Altra Townhomes, 2) Raritan Town Square Apartments, 3) Willow South Apartments; 4) Courthouse Square Apartments; 5) The Enclave Apartments; 6) Main Street Flemington Apartments; and 7) Liberty Village (An Flemington Borough Town Council ad hoc committee has been approved to study the possibility of Liberty Village redevelopment.) An eighth additional development is planned near Walter Foran Blvd. with projections to be essentially those of Raritan Town Square next to PetSmart. The newest development is not shown on the map above. We do not yet know what housing developments will be approved for 2025.

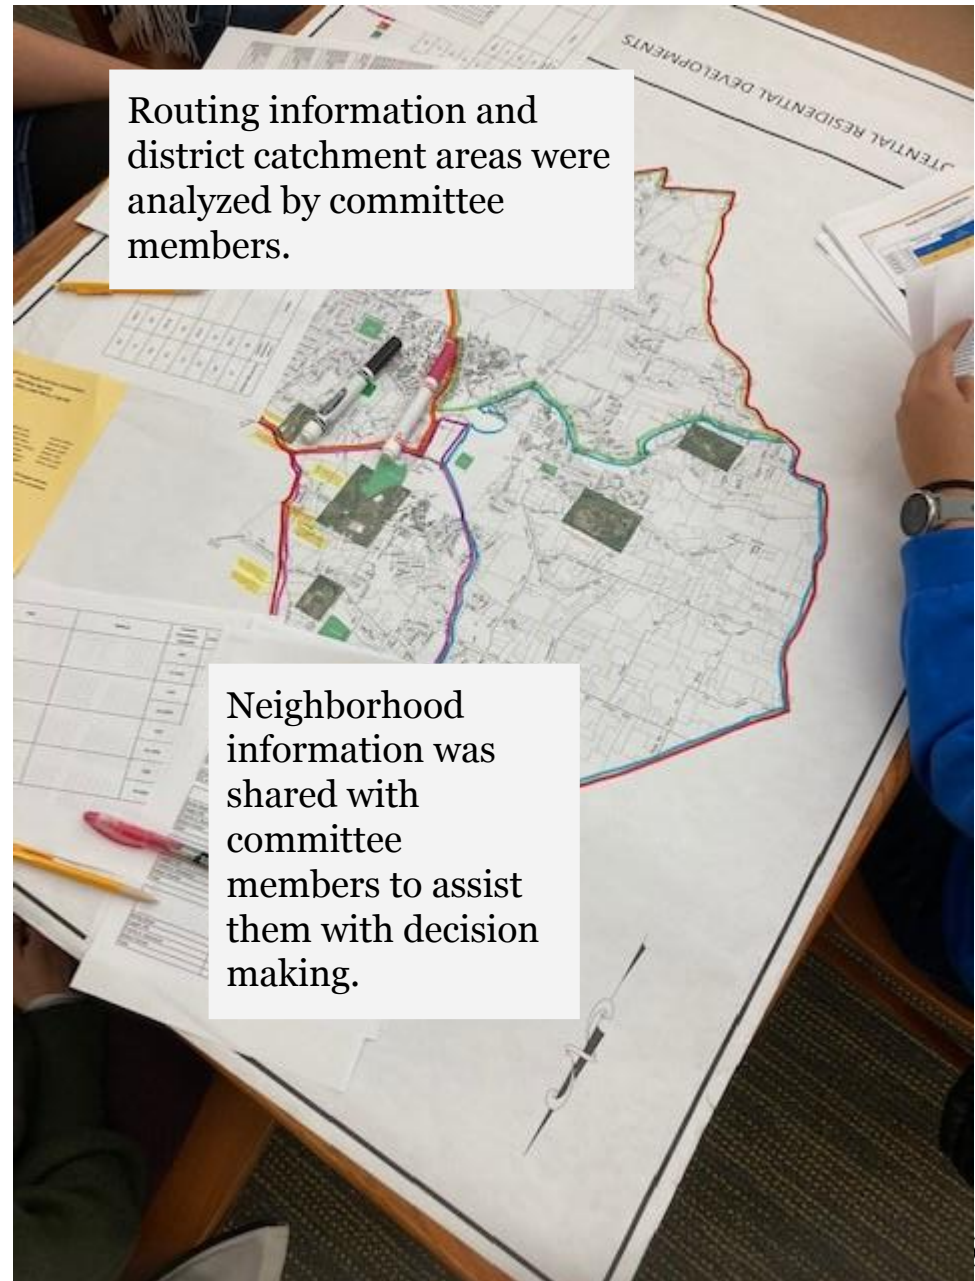

District Redistricting

Housing developments in the northern section of our community will impact our district enrollment and school total enrollment.

District Redistricting

Growing disparities in school enrollment and the lack of instructional space in some schools may result in the inability to implement instructional programs using the same activities and materials.

District Redistricting

The inability to implement instructional programs will result in a lack of equity in programs.

District Redistricting

Functional Capacity Ratio

- Current Functional Capacity Ratio**

- Hi/Low: 59.7% to 80.48%
- Range: 20.78
- Average: 73%

- Coming Soon!**

- Raritan Town Square
- Willows II South
- The Enclave at Health Quest
- Cain Court

	Functional Capacity	Current Enrollment 10-2021	Projected Enrollment Increase	Current Ratio	Projected Ratio
BS	487	367	25	75.4%	80.49%
CH	740	442	0	59.7%	59.73%
FAD	590	483	62	81.9%	92.37%
RH	508	405	0	79.7%	79.72%
Elem	2325	1697	87	73.0%	76.73%

- Projected Functional Capacity Ratio**

- Hi/Low: 59.73% to 92.37%
- Range: 32.57
- Average: 76.73%

The disparity in functional capacity ratios is projected to increase by another 11.79% over the next 2-24 months.

Current Functional Capacity Ratios: RFIS 59.36% & JPC 55.76%

According to the [New Jersey Department of Education](https://www.nj.gov/education/), “functional capacity” means the number of students that can be housed in a building to provide sufficient space for the building to be educationally adequate for the delivery of programs and services necessary for student achievement of the New Jersey Student Learning Standards. Functional capacity is determined by dividing the adjusted gross square footage of a school facility by the minimum area allowance per FTE student for the grade level students contained therein.”

District Redistricting

Functional Capacity Ratio

- **Current Functional Capacity Ratio**

- Hi/Low: 59.7% to 80.48%
- Range: 20.78
- Average: 73%

- **Coming Soon!**

- Raritan Town Square
- Willows II South
- The Enclave at Health Quest
- Cain Court

	Functional Capacity	Current Enrollment 10-2021	Projected Enrollment Increase	Current Ratio	Projected Ratio
BS	487	367	25	75.4%	80.49%
CH	740	442	0	59.7%	59.73%
FAD	590	483	62	81.9%	92.37%
RH	508	405	0	79.7%	79.72%
Elem	2325	1697	87	73.0%	76.73%

- **Projected Functional Capacity Ratio**

- Hi/Low: 59.73% to 92.37%
- Range: 32.57
- Average: 76.73%

The disparity in functional capacity ratios is projected to increase by another 11.79% over the next 2-24 months.

Current Functional Capacity Ratios: RFIS 59.36% & JPC 55.76%

One cannot assume that buildings should be at a 100% functional capacity ratio. Francis A. Desmares Elementary is already at 92% capacity and there are no additional classrooms available for instruction. Support teachers are sharing instructional spaces. The goal is for functional capacity to be at a ratio that provides ample space for programs and class size to meet that of our [District Regulations on class size](#).

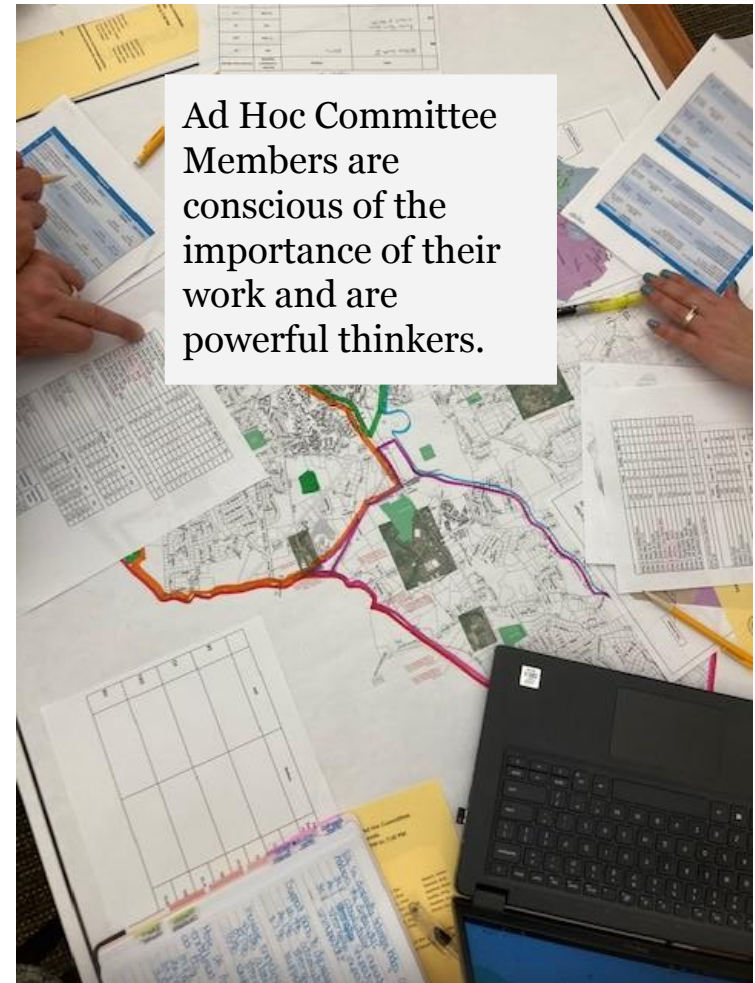

District Redistricting

- Information about specific families that will be affected as a result of redistricting will be shared with individual families no later than the beginning of May.
- As per Board of Education policy, the District makes every effort to reassign children only once during their elementary school years.

District Redistricting

We recognize that the possibility of changing elementary schools can create worry over the anticipation of attending a new school. In the upcoming months the district will include a multitude of activities to ease the worry including but not limited to the following:

District Redistricting: Providing Support

- Providing school and district newsletter information in the months preceding any redistricting;
- Host parent “question and answer” programs;
- Assign small groups of redistricted students to the same new homerooms the upcoming fall;
- Involve staff from both schools in the placement of students
- Discussion at Superintendent Talk-a-Latte Events
- Continued development of through the Superintendent’s Equity Ad Hoc Committee.

Emergency Virtual or Remote Instruction Plan-- School Closure Preparedness Plan

Emergency Virtual or Remote Instruction Plan

-- School Closure Preparedness Plan

2021-2022

Flemington-Raritan Regional School District
Hunterdon County, New Jersey

"Every student, every day, at every opportunity."

Board of Education Offices
50 Court Street
Flemington, NJ 08822

Prepared:
October 2021

Note: This plan has been sent to the Hunterdon County Office of Education and is subject to further revision as guidance from DOE becomes available. The virtual learning plan does not require New Jersey Department of Education Approval.

This plan is respectfully submitted by the Flemington-Raritan Regional School District in collaboration with the Curriculum Department and the Superintendent of Schools to respond to the COVID-19 pandemic. The October 2021 document was Board approved on October 25, 2021, and February 14, 2022. *This plan will be revised and adjusted as needed. * Revised December 2, 2021; January 6, 2022; February 11, 2022; March 25, 2022.
