## March 2025

### WE CHECKED OUT

**2,288 BOOKS!**

### WE VISITED

**148 times**  
outside of library class

### STAY TUNED FOR

**Author visit with Peter  
Catalanotto 4/9!**

### WHAT WE READ

### WHAT WE LEARNED

March was filled with lots of learning! Kindergarten has been learning about and reading folktales. First grade began using PebbleGo to research birds and create drawings with labels. Second grade spent the month working on their super secret research projects, culminating in a guessing game where classmates had to guess the animal each student researched. Third and fourth grade students read contenders for the nonfiction Cook Prize - the only children's book award voted on by kids!
