March 20, 2025

Dear Parents and Guardians,

We are excited that so many of our students choose to participate in after-school clubs here at RFIS. Spring Clubs will begin meeting on Monday, March 24th. Clubs meet on Mondays, Wednesdays, and Thursdays when school is in session. Different clubs meet on different days. Please be sure to know the day(s) your child will be staying for a club and what club they are attending. When clubs conclude at 4:00 PM, we need to ensure the safety of all students and wish to maximize efficiency in the pickup process. Please review the following pickup guidelines for after-school clubs.

Students who participate in soccer, art, digital art, mural, school spirit, flag football, and maker space clubs will be picked up on our bus loop which is a one-way street that can be accessed from Capner St. Students who participate in all other clubs will be picked up at the front of the school. For students who carpool, our club advisors will assist students who need to report to either of the two approved locations. Please see the map below and the larger version on the following page for further details.

Please know that students will not be permitted to walk freely through parking lots or cross lanes of traffic. All parents and guardians are asked to pick their child up at the appropriate curb, or park in a designated space and walk to meet their child.

Thank you in advance for your cooperation.

Sincerely,

Dr. Anthony L. DeMarco
Principal
