Troop 62 Is the longest standing Troop in Flemington, showcasing its legacy since 1937!

Young adventurers, aged 11-17, are welcome to join us any Wednesday from 7:30 to 9:00. The Scouts will lead them through a typical meeting while a dedicated team of adult leaders will be ready to address any inquiries that parents may have.

Our Troop is truly Scout lead. While this may look a bit chaotic at times from the outside it is a process that teaches the Scouts leadership, communication, problem solving and teamwork in a fun environment. Our adult leaders are always nearby to offer suggestions and guidance but it is the Scouts that run the program.

As a recipient of funds from the Large Foundation grant Troop 62 is able to keep the total cost of Scouting at a minimum. All our trips are subsidized by our committee and we only participate in one fundraiser a year.

Scouts is a great place to try something new! Come on an adventure with us!

- Camping
- Hiking and backpacking
- Whitewater Rafting
- Spelunking
- Fishing
- Skiing and Snowboarding

Never embarked on a Scouting journey before? Fear not! All are invited to join the adventure! Come to any of our meetings Wednesday's 7:30 – 9:00 PM at the Flemington Presbyterian Church in the conference room upstairs.
