Public Hearing of Incidents

Pursuant to N.J.S.A. 18A:17-46, school districts are required to provide a public hearing on incidents reported to the New Jersey Department of Education.

The following data is based on state-mandated reports completed by our building principals. Using definitions and guidelines provided by the New Jersey Department of Education, principals are responsible for reporting all incidents of violence, vandalism, false public alarm, weapon possession, HIB (alleged and confirmed), substance use, and all other incidents leading to student removal. The reports are then submitted to the Assistant Superintendent who reviews them, and is ultimately responsible for ensuring that they are electronically submitted to the New Jersey Department of Education.
